

TRAWLER LIGHTS

Private Coastal Experiences

Hidden Coves and Whispering Cliffs

Beginning at Trawler Lights, this peaceful coastal walk follows hidden shoreline paths through quiet woodland and secluded coves beneath the cliffs of Torbay. Gentle sea views, secret beaches, and winding coastal trails reveal a softer, more mysterious side of the South Devon coast, where the sound of the sea is never far away.

The route gradually follows the coastline towards Broadsands, where guests may choose to return via the Number 12 coastal bus route from nearby Broadsands Park Road back towards Brixham.
